Hello!

The **BITC HHS** (Business in the Community, Healthy High Streets) Campaign in conjunction with **Bedford BID** would like to understand if there are local businesses that would welcome the opportunity to access the knowledge, experience & insight that other local businesses within Bedford might be able to offer.

This may take the form of organised workshops, 1-2-1 mentoring, store visits to give feedback / coaching etc. But before we organise anything, **we want to hear from YOU!**

If this sounds like it might be of interest to you, it would be great if you could share your contact details with us below, along with some commentary about what it is you feel you might benefit from . For example you may be looking for advice about managing your accounts / tax payments or Visual Merchandising, Feedback / coaching around Customer Service or Health & Safety etc. **Let us know!**
